Notice Styles

This is a sample of the 'alert' style. Use this style to denote very important information to your users. To use this use the following syntax: **[div class="alert" class2="typo-icon"]**
...some content....

[/div]

This is a sample of the 'approved' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="approved" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'attention' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="attention" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'camera' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="camera" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'cart' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="cart" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'doc' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="doc" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'download' style. Use this style to denote very important information to

your users. To use this use the following syntax:

[div class="download" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'media' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="media" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'note' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="note" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'notice' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div class="notice" class2="typo-icon"]

...some content....

[/div]

This is a sample of the 'quote' style. Use this style to denote very important information to your users. To use this use the following syntax:

[div3 class="quote" class2="quote-l" class3="quote-r"]

...some content....

[/div3]
